To British Columbia AHRDA Holders

RE: Servicing of Aboriginal Women Off-reserve Residing in British Columbia

As one of the National Aboriginal Human Resource Development Agreement Holders, we provide Employment and Training to Aboriginal Women Off-reserve over the age of 18 years of age. Currently, our structure for delivery is autonomous and allows each Provincial and Territorial Member Association to administer funding for women in their region based upon Labour Market Demands.

For the current fiscal year 2006-2007 Aboriginal Women Off-reserve in British Columbia seeking funding for employment and training are requested to contact the Alberta Aboriginal Women's Society for applications. As with all programs, funding is limited and all Applications will be reviewed on a first come first serve basis and acceptance will be determined by the organization's guidelines for funding and funding capabilities.
